**NO FURTHER DEVELOPMENTS.**  
There have been no further developments in the attempted robbery of the Farmers' and Merchants' Bank early in the morning of the 26th. A blood hunt was brought over from Phoenix about noon of the day of the robbery but there had been such a crowd of curious at all the forenoon. It was impossible for the animal to get the right scent. A few hours after the robbery had been discovered President Kingsbury of the bank issued a notice of a \$500 reward for the arrest and conviction of the guilty party and every effort will be made to run down those responsible for the job. It was the boldest attempt at robbery of its kind ever pulled off in Tempe.

## MESA BLOODED CATTLE EN ROUTE TO MESA

Frank Reed Sanders Reports Shipment of Guernsey Dairy Stock to the Salt River Valley.

Frank Reed Sanders, who recently went east to purchase blooded stock for Jesse Kelly, E. J. Bennett & Co., and for himself, reports that he has two carloads now en route to Mesa. A short time since the Republican gave a list of some Guernseys Mr. Sanders had secured for Mr. Kelly. These are in the shipment and the remainder of the consignment is said to be equally valuable stock.

In his last letter, which was sent from New Hampshire, Mr. Sanders stated that the thermometer was below zero and that the ground was covered with three feet of snow. Old time residents of Mesa have seen so little snow in this valley that they have forgotten almost how it looks, but they can realize that with the snow and low temperature the weather must be far removed from that in Arizona, even during the coldest weather of this territory.

The Guernseys will doubtless appreciate the removal to a warmer climate, where alfalfa can be had the year around. Experiments so far have proved that imported stock reach the acme of excellence in this section, and the increased profits from better grades are inducing the dairymen to pay more attention to the improvement of their cows.

**BOARD OF DIRECTORS.**  
A short meeting of the board of directors of the Carney Mining and Development company was held at the company offices yesterday. The bonds of the trustees were fixed at \$1,000 each, and a general discussion of company affairs had. Reports of progress of work are most satisfactory and the funds on hand are being applied to pushing the work of development by means of the cross-cut tunnel.

Mr. and Mrs. Pat O'Dell arrived in Mesa yesterday from Ohio and will visit a few days with Mrs. O'Dell's sister, Miss Dora Allen. Some time during the week they will go on to Globe, where they have made their home for a number of years. Mr. and Mrs. O'Dell have been visiting Mr. O'Dell's people in the Buckeye state and they report a very severe winter there. In returning to Globe they will go via Roosevelt in order to see that great irrigation work and view the beautiful scenery along the way.

**SURPRISE PARTY.**  
A surprise party was held at the home of Mr. and Mrs. L. W. Stillwell Friday night, which was attended by thirty-five of their friends. Misses Hazel Dixon and Willa May Sanders engineered the party, which was in every way a success. Refreshments were served and games and music made the time pass all too swiftly.

**VISITING IN MESA.**  
John L. Dunn is enjoying a brief visit from his brother, Robert Dunn, who is the prosecuting attorney of Oliver county, North Dakota. He is accompanying a party who have been making a tour of the southern states and Mexico and stopped here en route to California. Besides Mr. Dunn the party consist of Mr. and Mrs. William Ryan of Chicago and Miss Margaret Ryan of Flint City, Mich. The visitors were taken in an auto ride over the Mesa section yesterday, including a visit to the Chandler ranch, the ostrich farm, some of the dairy farms and the Eastern canal. They will remain the guests of Mr. Dunn for several days.

**DANCE ON FEBRUARY 16TH.**  
At a meeting of the Uniform Rank, Knights of Pythias, Friday night, it was decided to give a dance on February 16 at K. P. hall, to which the members of the local militia, the members of the various fraternal lodges of Mesa and the Knights of Pythias and Tempe are to be invited. The committee having the dance in charge promise that it will be one of the events that no one who delights in a good dance can afford to overlook.

### THE HERPICIDE GIRL

Says Everyone Can Have Beautiful Hair

I am really ashamed of some of my girl friends when I look at their hair. There is no sense in having such looking heads. It simply shows that while they may be scrupulously neat in every other way, they are careless about their hair.

Thin, scraggy, wispy hair generally indicates dandruff and dandruff is caused by a germ. Newbro's Herpicide will kill that germ and keep the scalp as clean and healthy as can be. This permits the hair to grow naturally and luxuriantly. That terrible itching which goes with dandruff stops with almost the first application.

Substitutes or remedies said to be "just as good" are sometimes offered, but it is better to buy the genuine original germ killer, Newbro's Herpicide. There is no guesswork about that preparation. A trial isn't necessary, but buy a bottle and use it. The results are sure to be better than you expect.

For sale at drug stores. One dollar size bottles are guaranteed. Applications obtained at the better barber shops. Send 10c in postage for sample and book to The Herpicide Co., Dept. R., Detroit, Mich. Lovett Drug Co.

**WOODMEN DANCE.**  
The Modern Woodmen of Mesa have announced a grand ball to be held on Wednesday night, January 31st.

**FORTY-FIRST ANNIVERSARY.**  
On Thursday evening last the forty-first anniversary of the marriage of Dr. E. W. and Mrs. Wilbur was celebrated at a six o'clock dinner at the home of their son and his wife, Mr. and Mrs. Everett Wilbur. Dr. and Mrs. Wilbur were married at Woodstock, Ill., moved to Iowa and remained there twenty-one years. They then came to the Salt River valley and Mesa has since been their home. Dr. Wilbur was the founder of the Mesa City bank, the first bank established in Mesa. Those at the dinner were Mr. and Mrs. G. L. Hutchinson, Mrs. Hutchinson being a sister to the doctor; Mr. and Mrs. W. S. Dorman, Mrs. Dorman being their daughter; Mr. and Mrs. George Wilbur, Walter Wilbur and Mr. Peck, the two last named being from Tempe.

**DANCE AT ALMA.**  
A very pleasant dance was held in the Alma ward, Friday night, there being a good attendance and excellent music.

The semi-annual session of El Yamama temple will be held at that time. Some of the candidates are practicing for the occasion by riding the toughest "outlaw" broncho they can find.

**PURCHASED SECTION OF LAND.**  
A deal has recently been completed by W. S. Dorman, by which the Wilbur Realty company becomes the owner of a section of land, known as section 2, located a few miles from Mesa. This is considered one of the desirable locations of the valley and will probably be subdivided and sold to settlers.

### LUMBER AT COST

I have two million feet of yellow pine timber grown on my ranch in Coconino county. My neighbors have several million feet more which I have an option on. I am forming a company to put a sawmill in and cut this timber and put it on the market at actual cost price to the stockholders in this company. Arizona has the largest yellow pine forest in the United States, and the Arizona home builder should have the benefit of it. I can produce all grades of yellow pine lumber at \$12.50 per thousand on cars at Maine, Arizona, or \$17.50 in Phoenix, and will put up a bond that I can do so. Here is the actual cost of producing lumber in Arizona:

Government stumpage price.....\$ 2.50  
Cutting logs ..... 1.00  
Hauling logs to mill..... 2.50  
Sawing and stacking..... 2.50  
Fire insurance on yard, per thousand ..... .50  
Wagon haul to railroad..... 2.50  
Making \$12.50 delivered at railroad. Freight to Phoenix, on a basis of 15 cents per hundred, \$4.50 per thousand.  
Unloading cars, 50 cents per thousand.  
Making \$17.50 for all grades of Arizona yellow pine lumber laid down in Phoenix.
